Re: Letter of Recommendation for **MOBILEMONEY**  
To Whom It May Concern:

**MOBILEMONEY** has partnered with Ray Cammack Shows since 1997, providing unparalleled ATM Service at all of our events, including The Houston Livestock Show, Arizona State Fair, Pima County Fair, National Orange Show, San Diego Fair, Orange County Fair, and the Los Angeles County Fair.

**MOBILEMONEY** has a bright, well trained staff, who in turn keep the ATM Machines up and running throughout the duration of our Events. The ability to have knowledgeable onsite technicians throughout the duration of the Event make it possible for **MOBILEMONEY** to have an almost immediate response time.

The addition of **MOBILEMONEY** ATMs throughout our midway has made a significant impact on the sales and per-caps of our carnival. I believe the availability of cash throughout the venue is one of many positive contributions to our revenue growth.

I would personally recommend **MOBILEMONEY** to provide ATM service at any venue. The qualified professional staff, the ability to keep the ATM's funded, and a prompt response to any request rivals any leader in the ATM Industry.

Sincerely,

Tony Fiori  
Ray Cammack Shows
